RE: Cobblestone Village at Sunset Beach Street Lights

Dear Ms. Anglin,

The Board of Directors for Cobblestone Village at Sunset Beach is hereby offering our neighborhood street lights to the Town of Sunset Beach.

Several years ago the roads within Cobblestone Village were offered to the Town of Sunset Beach and were accepted by the Town. By way of this letter, we are making the same offering for Cobblestone Village's street lights.

Please contact me should you have any questions and advise me when this offering is accepted by the Town of Sunset Beach.

Best regards,

Kent Trautman – President
